VALLE DELL'ACATE

Vignaioli dal 1870

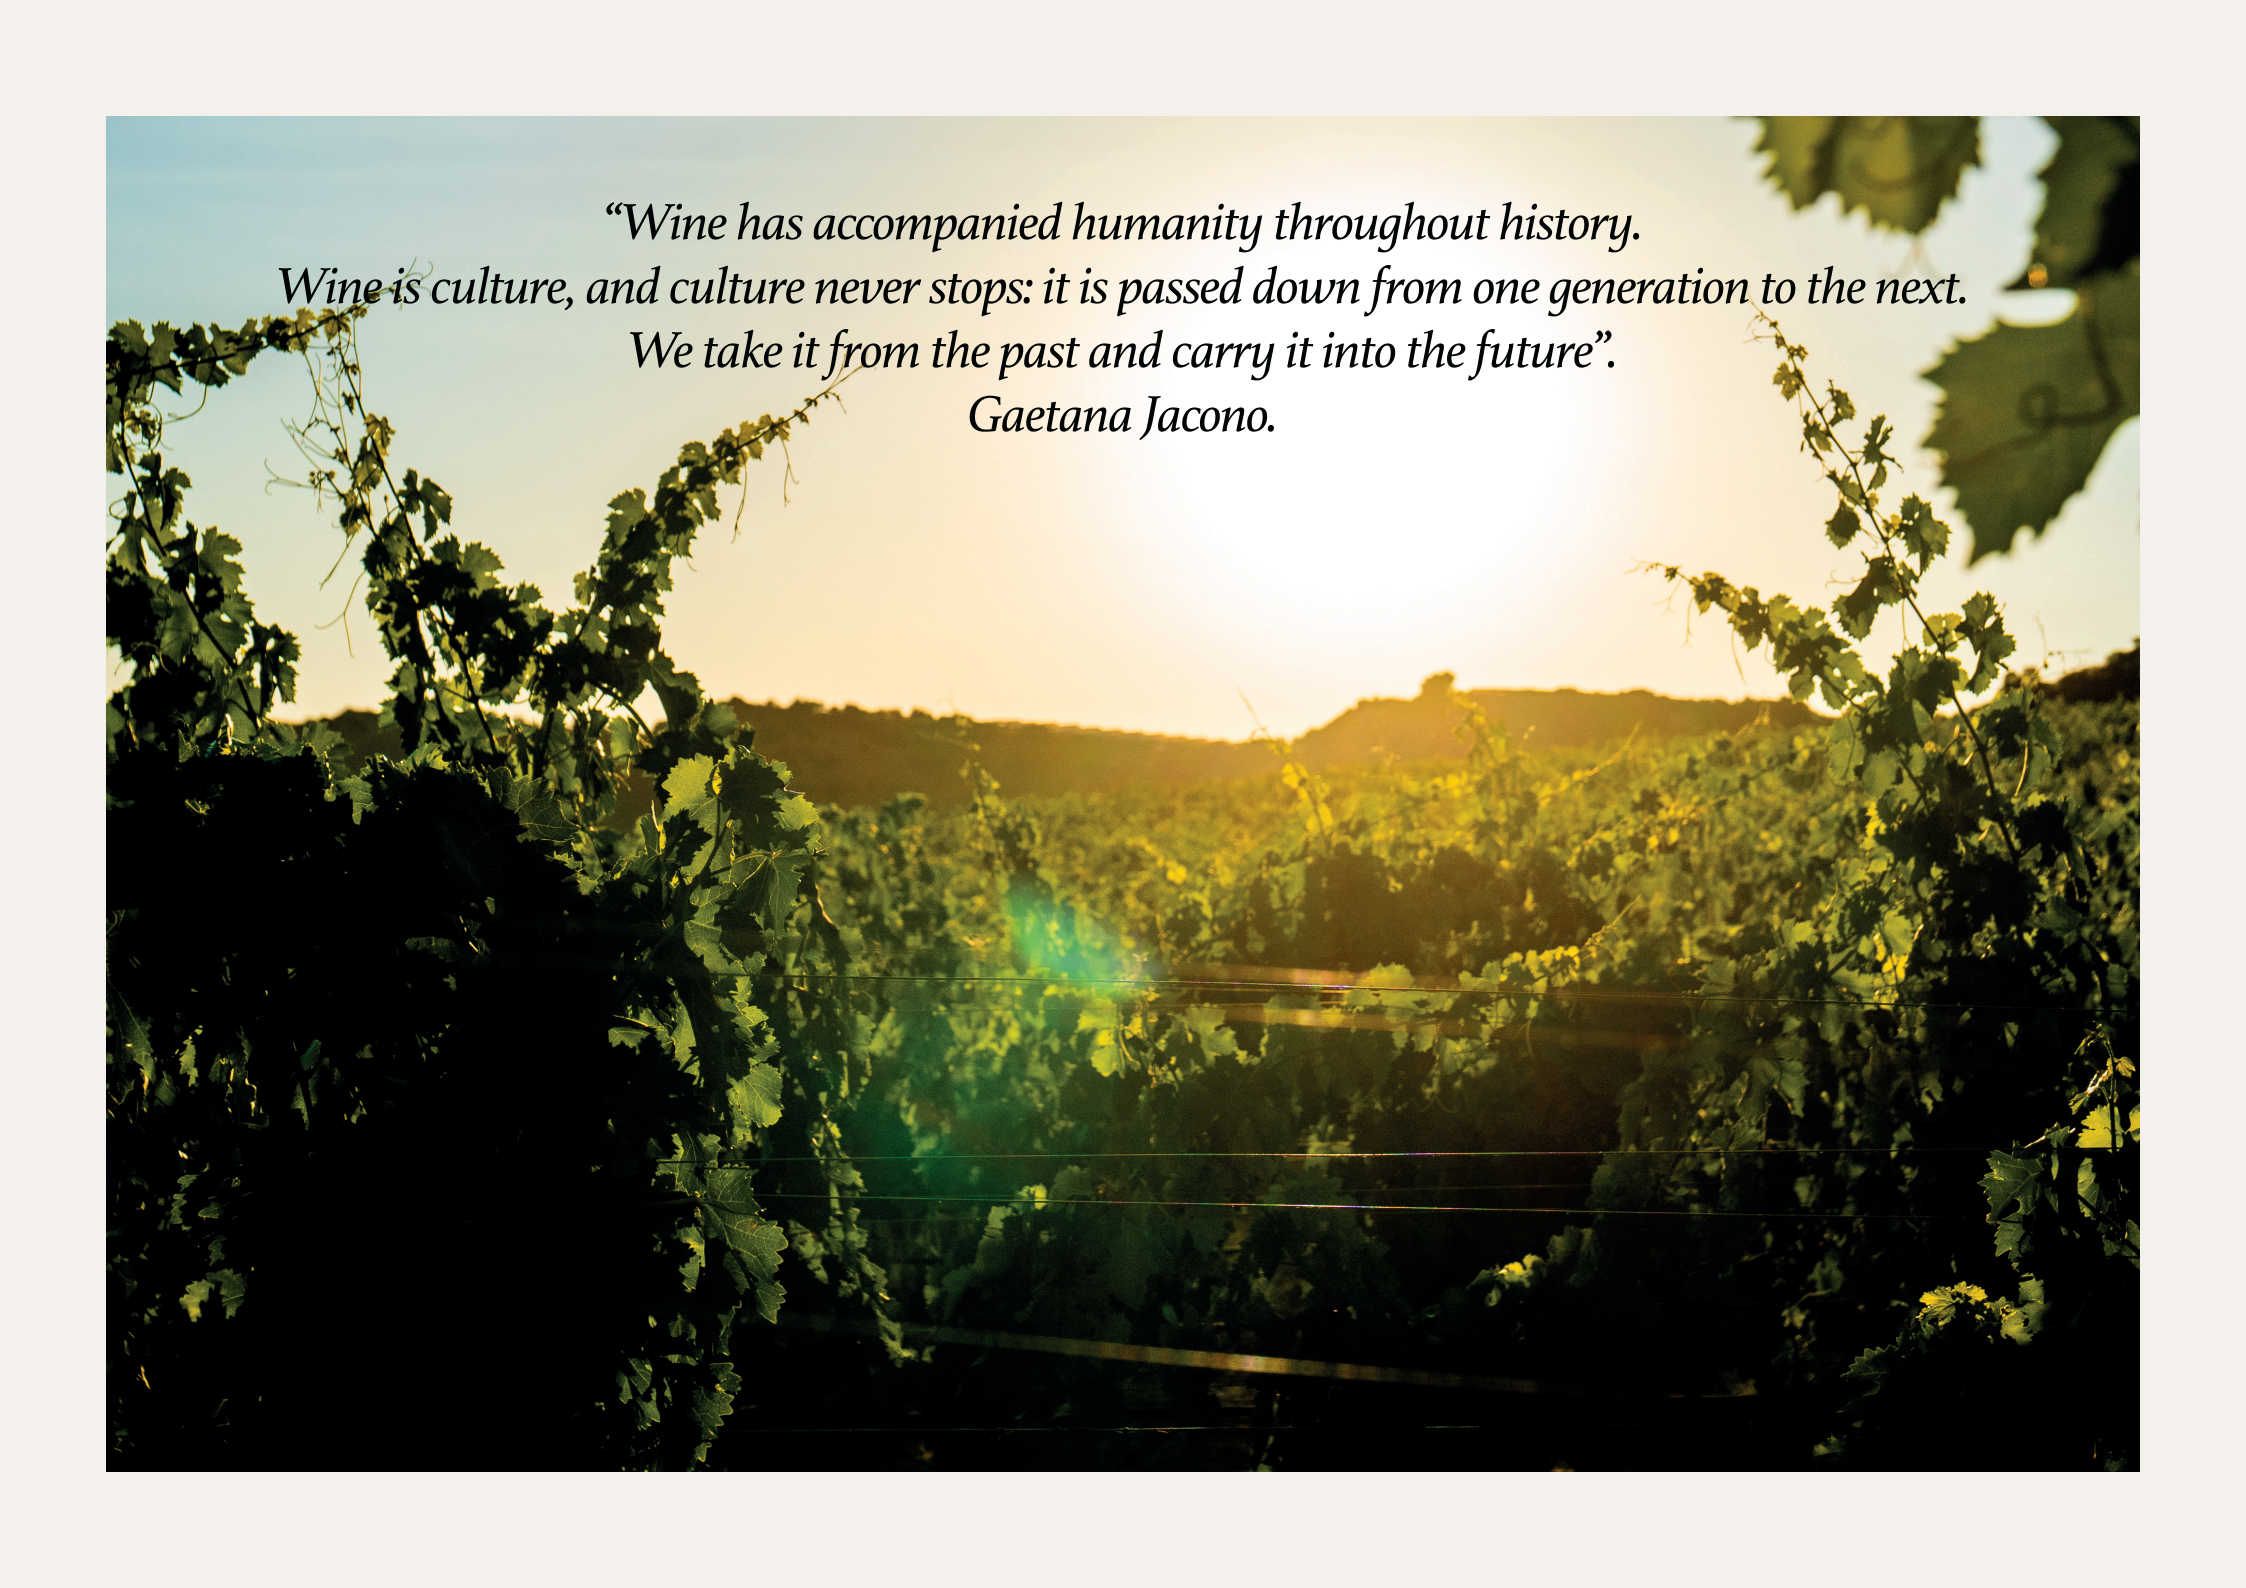

Il PIACERE di DONARE una STORIA

In Sicily, wine has always been an invitation to share: a gesture of hospitality, a family story, a moment to be enjoyed together.

The special Valle dell'Acate gift packages are designed to celebrate this spirit, showcasing bottles that express the character of our land and the story of our family. Fine wood, refined details and designs inspired by the local landscape accompany selections created to make every occasion even more special.

Each package thus becomes part of the gift itself: a gesture of care, elegance and authentic Sicilian character.

Because a great wine is not simply tasted: it is remembered, shared and given.

A photograph of a vineyard at sunset. The sun is low on the horizon, casting a warm, golden glow over the scene. The foreground is filled with the dark, silhouetted leaves and vines of grapevines. In the background, a line of trees or hills is visible against the bright sky. The overall mood is peaceful and nostalgic.

*“Wine has accompanied humanity throughout history.
Wine is culture, and culture never stops: it is passed down from one generation to the next.
We take it from the past and carry it into the future”.*

Gaetana Jacono.
